Dear Mr. Weisberg:

Thank you for your lengthy and enthusiastic letter of March 23rd.

I enclose a reprint describing some of the material about which you commented.

Like yourself, I am so busy with many projects that it seems to take forever to get anything wound up and in print. I will certainly send you on further reprints as they come to completion.

I would certainly be interested in any of your publications on the subject.

Sincerely,

John K. Lattimer, M. D., Sc.D.
Professor of Urology
Chairman, Department of Urology
